

Devil's Highway Loop Summary:

From the Escudilla Mountain Cabins we take US Highway 180 east to New Mexico and then south to NM Highway 78. We head west on NM Highway 78 (which becomes AZ 78) to Three Way where we turn right to go north on US Highway 191. There will be a stop at the Sunoco gas station on the left near the top of the hill in Morenci. On exiting the gas station we turn left and then right at the first traffic lights. Michelle's Bar and Grill is on the left. After lunch we will then proceed north on US Highway 191 back to the Escudilla Mountain Cabins. Along the way we will regroup at the Blue Vista turnout just after mile-marker 224.

Devil's Highway Loop Directions

Take US Highway 180 and travel east to Luna, New Mexico – about 15 miles or 17 minutes (18)

Turn right to continue on US Highway 180 and travel south through Alma, Glenwood, and Pleasanton, to NM Highway 78 – about 59 miles or 1 hour 8 minutes (74)

We will stop to regroup in the parking lot on the right just past the intersection

We will then travel east on NM Highway 78 (which becomes AZ Highway 78) to Three Way, AZ – about 34 miles or 45 minutes (108)

Turn right to travel north on US Highway 191 to the Conoco gas station on the left near the top of the hill (135 Mountain Ave, Morenci) – about 13 miles or 17 minutes (121)

We will stop at the Conoco gas station to facilitate refueling our cars

When we exit the gas station we turn left on Burro Alley and rejoin US Highway 191 by turning right at the first set of lights. Michelle's Bar and Grill is on the left – about 1 mile (122)

We will stop at Michelle's Bar and Grill for lunch

After lunch we will proceed north on US Highway 191 through the Morenci mine to Hannagan Meadow – about 67 miles or 1 hour 56 minutes (189)

Along the way, we will stop to regroup in the Blue Vista turnout just after mile-marker 224

We will continue north on US Highway 191 to US Highway 180– about 20 miles or 26 minutes (209)

We will turn right and proceed into Alpine to the Escudilla Mountain Cabins
